Life can be busy and stressful, especially for new moms. We have added a state-of-the-art Mamava nursing pod to the University Eye Institute for you to use. This is just one way to show support for the members of our community.

We hope you enjoy your visit!

Follow us to your Mamava pod!

1. From the UEI entrance, head past the “Patient Registration” check-in toward the “Family Practice” reception desk.

2. Once you arrive at the Family Practice reception desk, turn left, and proceed down the hallway (if you see the giraffe, you’re headed in the right direction).

3. Walk to the end of the hallway, and turn right.

4. You’ve arrived! Enjoy your stay!
